Welcome Back

Dear Parents,

This past month the teachers at Faith Fellowship Academy have met daily to pray for their students and families. We prayed for peace for each child as they transition into a new school year. We prayed that parents would feel welcome and comfortable as they entrust their child to us. We prayed for God to anoint each classroom. As we met in prayer each day it became clear to me that teaching is the work of the heart at Faith Fellowship Academy. It is each teacher's desire to capture their student's hearts and connect each heart to God. As our first week comes to an end, I am rejoicing at the presence and work of God in not only our teachers, but our children.

In His Love, *Ms. Carissa Reynolds*, Director, Faith Fellowship Academy
