

FAITH FELLOWSHIP ACADEMY

December 2025

Dear Parents,

This month in Chapel, we are filled with joyful anticipation—much like Bluey and her family as they prepare to celebrate the birth of our Savior, Jesus Christ. Students will hear the Christmas story, create meaningful crafts, and share simple acts of kindness that reflect God’s love for us.

We are grateful for our families who partner with us to nurture hearts and minds in Christ. As we walk through this beautiful season together, may your homes be filled with peace, joy, and the hope that Jesus brings. Merry Christmas from all of us at FFA!

In His love,
Ms. Carissa
Director

Weekly Classroom Newsletters Returning to Print in December

To enhance transparency and keep our families fully informed, we will begin printing and distributing weekly classroom newsletters starting in December. Our original goal was to “go green” by hosting these updates on our website for convenient digital viewing. However, we’ve learned that many families aren’t getting the chance to check the online version, and as a result, important classroom information is being missed.

This shift back to printed copies ensures every family stays aligned with upcoming activities, learning highlights, and classroom reminders. We appreciate your partnership as we continue refining our communication practices to best support our school community. Please know that the weekly classroom newsletters will still be available on our website for viewing.
