Reminders

We are continuing to focus on building independence as we prepare your children for VPK. We are encouraging them to clean up after themselves, manage their belongings, open lunch items, follow directions, and use the bathroom independently.

We are also working on teamwork skills - learning to share, take turns, work together, and understand that sometimes we have to be flexible and think about others. These are important skills for success in VPK.

Practicing independence and teamwork at home will help build their confidence and readiness for the next step. Thank you for your support!

VPK Certificate

If your child is enrolled in VPK for the 26-27 school year at Faith Fellowship Academy, please be sure to apply for your child's VPK Certificate of Eligibility. The certificate pays your child's tuition for the hours of M-F 8:30am-11:30am. Please visit the ELC website at www.elcbrevard.org to apply.

VPK Certificate of Eligibility must be turned in to the Academy office by May 1st, 2026.
