## November

Dear Parents,

Thank you, Mommy and Daddy.” As parents, we are delighted to hear our children express gratitude. It is a heartening indication that we have successfully instilled the value of thankfulness through our nurturing and example. Young children learn best through firsthand experiences, and it’s essential to teach them the importance of being grateful. Their understanding of thankfulness can be greatly influenced by the adults in their lives, their feelings, and attitudes towards it. As we celebrate Thanksgiving, take some time to talk to your children about this special day and help them understand that it’s a time when many people go to church to worship God and give thanks to Him for all of His wonderful gifts to us. This will foster a deeper understanding and appreciation of Thanksgiving in your child.

Have a blessed Thanksgiving. We are thankful for all our precious Faith Fellowship Academy families.

In His Love,

Ms. Carissa  
Director

### FFA Outreach

Faith Fellowship Academy is teaming up with Sabal Elementary to provide Thanksgiving food baskets for 50 students and their families. We are collaborating with Laura Negi, a teacher at Sabal and a former FFA parent, to supply food for a Thanksgiving dinner. If you would like to assist, we are looking to collect 50 -\$25 gift cards from Publix or Walmart to accompany the baskets. This will allow families to purchase a turkey or ham for their Thanksgiving meal. Gift cards can be dropped off to the Faith Fellowship Academy office. Thank you for your help!

Mrs. Negi with her 3rd grade students.
