Mr. Drew and Ms. Eileen

November 10-14

Wonders

This week, our class will be reading about different cultures that make up the communities around the world. Your child is learning how to appreciate the different customs that people share.

Here are some resources you can use with your child to help reinforce the skills we will be practicing.

Word Workout

Vocabulary: "cultures", "appreciate" Visit a library and read stories about children from different cultures. Initiate a discussion about how your culture is similar to other cultures.

My Words to Know

High-Frequency Word: "do" Have your child practice writing the word "do". Think of things your child likes and doesn't like, and ask simple questions. Encourage your child to respond with the words I "do" or I "do" not.

Category Words: "kinds of foods" Use sticky notes to make labels for different foods in your kitchen. Help your child sound out each word and write it. Then affix the label on the food.

Phonics: "d" Search for objects that begin or end with the letter "d". Make a list of the words. Encourage your child to read each word and then underline the letter "d".

Comprehension: Main Story, Elements/Character and Setting.

Read a story about a child from a different culture. Then invite your child to draw pictures of the main character and the setting of the story.

Science Phenomenon

Humans are living things, just like plants and animals! We need food, water, air, shelter, clothing, and connection to stay healthy and happy.

This week, our class is learning how to care for themselves and others while exploring what all living things need to grow and thrive.

Social Studies

What Holidays are celebrated around the world?

Bible

This week as we continue our story about Joseph, we learn how to use our gifts for others and to find opportunities to lead.

Dates To Remember

Nov. 13- Coach Reed

Nov. 14- Turkey trot 10:50-11:00

Nov. 21- Thanksgiving program 10:00
with early dismissal 11:30

Star of the Week
