

FAITH FELLOWSHIP ACADEMY

SEPTEMBER 2025

Dear Parents,

One of the sweetest parts of a new school year is watching little friendships begin to bloom. Every day in our classrooms and on the playground, we see children discovering the joy of learning someone's name, sharing a giggle, or teaming up for a silly game. These small but mighty moments are where lifelong social skills take root. This month in Chapel, we will be talking about "Making New Friends."

At Faith Fellowship Academy, we encourage our students to be kind, brave, and welcoming as they meet new friends. For many children, making a friend can feel like a big adventure, exciting but sometimes a little wiggly with nerves. With gentle guidance from teachers, children are learning to say, "Would you like to play?" or "Can I sit with you?" Simple words like these open the door to wonderful connections. Bluey reminds us how special friendship is in the episode "Camping." Bluey meets Jean-Luc, a pup who speaks a different language. Yet through play, they build a joyful friendship—showing that kindness and curiosity can connect us all.

At home, you can nurture this growth by celebrating acts of kindness—whether your child shares a toy, helps a classmate, or offers a cheerful smile. These little habits are like sunshine and water for the garden of friendship.

In His love,
Ms. Carissa

Show Your Bluey Spirit

Mondays are extra special at Faith Fellowship Academy, it's "Wear Bluey Day!" Each Monday, children are invited to come dressed in their favorite Bluey shirts, hats, or accessories to celebrate everyone's favorite playful pup. Let's fill the school with cheerful Bluey colors, big smiles, and lots of giggles as we kick off the week together!
