September 2022

Dear Parents,

Have you ever stopped to think how important grandparents are? Our children's grandparents can be the most wonderful resource, both to us as parents, and to our kids. Sometimes in all the hustle of our busy lives, we can forget this fact. That's why I like the idea of Grandparents Day. The holiday is a great time to remind ourselves of what grandparents mean to us and to celebrate with them.

Grandmas and grandpas love to hear about our kids' successes and milestones. Whether this event is as simple as a first word, first tooth, or twentieth gold star at school, you can rely on grandparents to take an interest. I love to encourage kids to contact their grandparents and let them know about such exciting events. It's an excellent learning experience for children to visit, phone, write a letter, Facetime, or record a video to send to Grandpa/Grandma. For grandparents who are far away, it helps them feel closer too.

Another thing I've noticed about grandparents is that they're great at being a cheer squad. They think our kids are wonderful too, and take pride in our children's accomplishments.

Grandparents Day might be a good time to sit down with kids and discuss how important and loved their grandparents are. Reflecting for a few moments on shared experiences and fun might be all the inspiration your kids need to let their grandparents know how they feel.

Happy Grandparent's Day!

In His Love,

Ms. Carissa, Director

## Basket of Love

We are starting a "Basket of Love" campaign for our teachers to acknowledge all their hard work and dedication. Every Thursday, we are hoping that a family will bring in a basket full of individually wrapped items (i.e. granola bars, muffins, candy bars etc.). If your family would like to participate, you can [click here](#) to schedule a Thursday to bring a basket in. Feel free to contact the Academy office for more information.
