

FAITH FELLOWSHIP ACADEMY

AUGUST 2025

Dear Parents,

We are so excited to welcome all of our wonderful students and families back to Faith Fellowship Academy for another amazing school year! The classrooms are buzzing with energy, laughter, and curiosity as we dive into new adventures together. We can already tell this year will be filled with lots of fun, learning, and special memories.

This year, our chapel theme is extra special—Bluey! We'll be using the beloved characters from Bluey to help us learn important life lessons about kindness, teamwork, patience, honesty, and more. Each month, we'll explore stories and activities that inspire us to be our very best, both inside and outside the classroom.

From creative projects and hands-on activities to chapel time and outdoor play, there's so much to look forward to. We are confident that this will be a year full of growth, joy, and meaningful moments. Here's to a fantastic year ahead—let's make it the best one yet!

In His love,
Ms. Carissa

Partnering Together Through the Matthew 18 Principle

At FFA, we believe the best way to address concerns or questions about your child's classroom is by speaking directly with your child's teacher or the school director. This follows the biblical guidance of the Matthew 18 principle, fostering open, respectful communication and preserving the unity of our school family.

While social media "mom's groups" can be a place for sharing, they often lack full context and can lead to misunderstandings. Direct communication allows us to provide accurate information and work together for your child's best experience.

We truly value our partnership with you and invite you to connect with your child's teacher or with the school director any time you have a question or concern. Together, we can continue to make Faith Fellowship Academy a place where children and families feel welcomed, supported, and loved.
